

# ALBERT REÉB

FULL STACK WEB DEVELOPER

## Profile

I am a sociable and collaborative person. I enjoy working in a team and my motto is 'communication': solve problems through discussion and do not keep them to yourself.

Besides my work, my main areas of interest are cars and driving and with that travelling as well.

## Personal information

## Experience

- 2021 - Present** **ICBTECH D.O.O**  
Full stack web developer, Subotica
- 2020 - 2021** **ICBTECH D.O.O**  
Intern, Subotica  
During my time as an intern in ICBTECH, I have worked on a variety of tasks such as developing and testing web applications, writing code in multiple programming languages, designing and implementing user interfaces, and managing databases and server-side technologies. I collaborated with other developers and participated in code reviews to ensure that our projects were of the highest quality.
- 2018 - 2018** **DIETRICHSOFT KFT**  
Intern, Szeged  
During my time as an intern in DietrichSoft, I developed various websites in codeigniter framework. I tested and maintained these websites together with other interns in the company.
